#### ABOUT HOME INVEST BELGIUM

Since its creation in 1999, Home Invest Belgium has been a Belgian real estate company listed on the stock market and specialised in residential real estate. As the owner of a portfolio of over €450 million, it makes quality residential real estate available to its tenants and provides them with professional management services. Home Invest Belgium also develops its own projects to ensure the growth of its portfolio and also conducts regular arbitration on a fraction of said portfolio.

Home Invest Belgium is listed on the Euronext Brussels continuous market (HOMI) and enjoys the Belgian tax status of an SIR (regulated real estate company).
